

Item 1 – Introduction

CapVisor Associates, LLC (“CapVisor”) is an investment advisory firm specializing in serving the needs of the insurance industry. We provide highly customized insurance asset management solutions including investment strategy design, strategic asset allocation analysis, asset liability management, tactical portfolio optimization, investment management firm selection and manager review and performance analysis. CapVisor has been in operation since November 2008. For the purpose of this CRS, as required, CapVisor also works with private clients/individuals that are accredited/qualified investors as defined in the Securities Act of 1933 and defined in Regulation D (requiring an annual income of at least \$200,000 in each of the past two years (\$300,000 for joint income) or a net worth of at least \$1 million).

Item 2 – Relationships and Services

CapVisor’s services to retail investors are restricted to provide “advice-only” and our relationship is Non-discretionary. At no time will CapVisor make decisions on behalf of clients or take control over client assets for trading, safekeeping or other purposes. Our services will be restricted to evaluating investment choices for clients and providing research and recommendations of several alternative choices for the client’s decision and action (execution of strategies, trades and cash movements). Our team reviews accounts with our retail investors on an ongoing basis to ensure conformity with individual risk appetite and to monitor performance with respect to appropriate benchmark. We offer non-discretionary advice on asset allocation and investment manager selection. Manager selection includes only external, non-affiliated, active investment management firms of separate accounts as well as ETFs. We do not offer advice on individual stocks or bonds and do not provide a “call to action” relative to individual stocks or bonds. We do not offer any type of internal portfolio management services. We do provide performance analysis and manager selection advice based upon historical, GIPS-compliant composite performance of separate account managers and historical performance of ETFs. We are non-discretionary advisors and make no decisions on our clients’ behalf. CapVisor does not have, nor will it accept, authority for trades, manager selection or asset allocation decisions.

Item 3 – Fees, Conflicts & Standard of Conduct

Fees	Bracket (000's)	%	Fee on breakpoint (\$)	Cumulative Assets(\$000s)
First	1000	0.75%	7500	1000
Next	250	0.70%	9250	1250
Next	250	0.65%	10875	1500
Next	500	0.60%	13875	2000
Next	1500	0.60%	22875	3500
Next	1500	0.50%	30375	5000

CapVisor does not buy or sell securities (portfolio management) for our clients. We seek to avoid conflicts of interest by separating advice from implementation and management. The external investment management firm selected by our clients to provide portfolio management services will directly bill our clients for their services. CapVisor does not provide trust or custody services. CapVisor does not provide brokerage services. CapVisor generally bills client fees quarterly, in arrears.

Item 4 – Disciplinary History

Neither CapVisor, Principal Carl E Terzer, or any other associate has had any legal or disciplinary events or other information applicable to this item.
